

### Dial Continues Fight on Joe Tolbert.

Laurens, Oct. 19.—Senator N. B. Dial was this afternoon advised of the recess appointment of Joseph W. Tolbert as United States marshal for the Western district of South Carolina. Senator Dial has opposed Tolbert's nomination from the first and he indicated that he was not through with the protest.

The senator wired District Judge Watkins protesting the qualifying of Tolbert, citing the fact that the appointee has been convicted in the United States courts of criminal acts and in all probability he is disqualified to take the oath and hold office under the constitution. The senator also wired Gen. M. L. Bonham to take such steps as necessary to prevent Tolbert from holding this important post. He pointed out to General Bonham that unless Tolbert has been pardoned, he can not qualify for the office and the senator says that he does not know of any such pardon having been granted. The conviction of Tolbert referred to was for alleged embezzlement and larceny after trust according to the records, says the senator. Sen. Dial says that when Tolbert's nomination was sent to the senate he objected to confirmation whereupon the case was referred to a subcommittee of three members of the judiciary committee. Charges were filed and the committee was urged to have Tolbert come before it for a hearing of the case, as it was the intention of the senator to cross-examine him before the committee. A demand for a committee proceeding was made several times, but Mr. Tolbert did not appear, although this was urged by the senator.

Considering these grave charges, says Senator Dial, which were unanswered and unanswerable, he considers it an outrage to the decent people of South Carolina for the Republican administration to try to force a man of such character on this district and state.

Continuing, Senator Dial said that if Judge Watkins allows Tolbert to qualify, possibly all his official acts will be illegal. In the event, however, that Tolbert is permitted to qualify, the senator says he will do all in his power to have the nomination rejected when it comes up in the senate for confirmation.

Washington, Oct. 19.—Joseph W. Tolbert, whose nomination as mar-

Greenville, Oct. 19.—Joseph Warren Tolbert of Greenwood county, Republican national committeeman, has been appointed United States marshal for the Western district of South Carolina and will assume the duties of that office as soon as he files the usual bond.

He received a recess appointment from President Harding and will hold office for an undetermined period, pending the action of the United States senate upon his nomination by the President, which remains unconfirmed, due to the opposition of Senator N. B. Dial of this state.

Information of Mr. Tolbert's appointment was received here this morning by federal officials, his commission having been forwarded by the United States department of justice to District Judge H. H. Watkins.

Mr. Tolbert, for many years, has been the head of the Republican party in this state and is a member of the South Carolina Republican national committee. When informed of the appointment of Mr. Tolbert, the incumbent, C. J. Lyon, said he had no statement to make.

### Dry Act to Stay, Says President Harding.

Washington, Oct. 21.—The dry act is on the statute books to stay and America will never depart from it, President Harding told a delegation of the Allied Christian Agencies here today.

Some features of the law are difficult of enforcement, he explained, and are causing the government some concern, but the spirit of prohibition will be carried out and there will never be a return to the open saloon or manufacture of liquor, he declared.

When asked that the United States do "its full duty to the rest of the world," the president reiterated the policy stated recently. He pointed out that the United States is anxious and willing to help, but cannot be drawn into the politics of the old world.

### Complains Against Two State Officers.

York, Oct. 20.—Charging that they drove into and smashed up his automobile Wednesday night while they were "highly intoxicated," Edison Wallace, citizen of York, today wrote Governor Wilson G. Harvey complaining against State Constable Horace Johnson and Township Constable Robert F. Lee. The accident occurred near here and both cars were damaged, although the Wallace car suffered the greater damage. Wallace said the two officers offered him a drink of liquor from a pint bottle following the smash-up, but he refused it.
